

G.S.U.S. Chapters/Social Media

This document serves as a central hub to keep you informed and connected with our chapters and social media platforms. As our movement continues to grow, this list will evolve to reflect that progress over time.

We encourage you to reach out to a G.S.U.S. chapter or social media page in your area. Your support is invaluable, and they may also be looking for enthusiastic volunteers like you to join their efforts. You can jump to your state/locality by opening the tabs/outlines list to your left.
