FEDERAL BUREAU OF INVESTIGATION

Date of entry 12/18/2023

[redacted] date of birth (DOB) [redacted] telephone number [redacted] was interviewed telephonically. After being advised of the identity of the interviewing Agents and the nature of the interview, [redacted] provided the following information:

In 2020, [redacted] was employed by an organization that registered people to vote. The name of that organization could have been [redacted] heard about the job through a friend. A regular shift at that job was for four hours. Before each shift, [redacted] would go to an office building on [redacted] where she would be instructed where she would solicit voter registrations that day. [redacted] spent most of her shifts outside gas stations. At the end of each shift, [redacted] would go back to the office on [redacted] with the voter registrations she collected during the shift and turn them into management. [redacted] could not recall the names of the two managers she dealt with; however, one manager was a man and one was a woman. The manager would then put the voter registrations in an envelope. [redacted] did not know what happened with the envelopes after that.

[redacted] was paid hourly. [redacted] could not recall how she was paid. [redacted] knew other people who worked at the organization because they were all "locals". There were no incentives for submitting voter registrations. Canvassers were told that there were other offices they could work at. [redacted] recalled that there was another office in [redacted] was instructed by management to make up phone numbers and date of births on voter registration applications.
